R. No: 16174-E/42-1 dated 10th August 194 2.

Sir,

Establishment - Public Health - Mangalore Municipality Sri B. Sanjivi Rao - Sanitary Inspector - fixation of pay.

A copy of the petition dated 12-11-41 from Sri B. Sanjivi Rao, Sanitary-Inspector, Mangalore Municipality is herewith forwarded. His request that his service in the old scale of pay (Rs. 55-5/2-110) should be counted for increment in the new scale of pay sanctioned in G.O. No. 2884 P.H., dated 17-12-34 may be granted. Attention is invited in this connection to the decisions of Government in G.Os. No. 299 P.H., dated 29-1-42 and No. 4458 P.H., dated 10-10-41.

With reference to paragraph 1 of G.O. No. 299 P.H. dated 29-1-42, the Government may communicate a copy of their orders to all local bodies for information.

Director of Public Health, Madras.

Copy of petition dated 12-11-41 from Sri B. Sanjivi Rao, Sanitary Inspector, Mangalore Municipality, to the Commissioner, Mangalore Municipality, through the Municipal Health Officer, Mangalore.

I beg to represent the following grievances for your kind consideration and orders.

2. I was appointed as a Sanitary Inspector in this Municipality on 16-11-1929 on Rs. 40/- per month in a permanent vacancy. The scale then in vogue was 50-5-100. However on 1-2-31 I was confirmed in the above scale and I have been granted every year regular increments in the said scale till 1-2-34 when I drew Rs. 65/-. It may be noted that the increments in the said scale was annual.

3. With effect from 1-1-35 Government introduced the scale of pay of Sanitary Inspectors as Rs. 55-5/2-110 under G.O. 2884 dated 17-12-1934. According to this G.O. my pay was fixed on 1-1-35 at Rs. 65/-, the pay which I was drawing. As the increment in this new scale is biennial I was given the next increment only 1-1-37, that is 2 years and 11 months after my drawing the last increment.

4. The introduction of the new scale has caused me a great hardship in as much as I was deprived of the annual increments which I had been enjoying in the old scale. Had it not been for the new scale, I would have now drawn Rs. 100/- today, whereas I am now drawing only Rs. 80/-. To add to this I had to wait for two years and 11 months to earn my next increment from 1-2-34 to 1-1-37. This is a further hardship to which I was subjected to. If only the above G.O. had been issued a month later, I would have enjoyed another increment in the old scale.

5. Government in G.O. No. Ms. 4458 P.H., dated 15-10-41 were pleased to permit Sri M. Viswanatha Rao, Sanitary Inspector of this Municipality to count ~~M~~ his service in the old scale from 1-1-34 to 31-12-34 for increment in the new scale. As compared with Sri Viswanatha Rao's, I submit that my case is harder one.

I beg to request my case being a parallel one or rather more deserving one than that of Sri Viswanatha Rao, the G.O. No. Ms. 4458 P.H., dated 15-10-41 may also be applied in my case and I may be permitted to count my service from 1-2-34 to 31-12-34 for increment in the new scale.

Copy of endorsement N.Dis. 4395-41 dated 15-11-41 of the Municipal Health Officer, Mangalore.

Forwarded for favourable consideration as this seems to be a really hard case.

Copy of endorsement N.Dis 15706/41 dated 6-4-42 of the Commissioner, Mangalore Municipality.

Retransmitted to the Health Officer.

2. Having regard to the decision in the case of Sanitary Inspector Sri M. Viswanatha Rao (G.O.No. Ms. 4458 P.H., dated 15-10-41) it appears to be reasonable to give this Sanitary Inspector the benefit of his services from 1-12-34 to 31-12-34. If the Health Officer agrees he may obtain orders of the Director of Public Health. Having regard to recent instances, the intervention of the Commissioner appears superfluous.

Copy of Endt. N.Dis 1301/42 dated 25-4-42 of the Municipal Health Officer, Mangalore.

Forwarded to the Director of Public Health, Madras. His claim seems to be reasonable.
